

ROBIN DEKKER

Student Communication & Multimedia Design

Innovative and detail-oriented Multimedia Designer with a strong background in data visualization, UX/UI design, graphic design and a little bit of coding. Hoping to expand my knowledge of animation and 3D.

Education

Communication & Multimedia design

Hogeschool van Amsterdam

September 2021 - now

Studying to become a designer and developer of digital interactive products such as websites, data visualizations, apps and games.

Minor Information Design

Hogeschool van Amsterdam

September 2023 - January 2024

Completed the minor Information Design, gaining skills in data visualization, UX/UI design and graphic design to effectively communicate complex information.

Work experience

Internship Creative Studio

bol.com

March 2023 - May 2023

This role allowed me to hone my skills in graphic design, multimedia production, and project management while working in a fast-paced, professional environment.

Barista

CHUN Amsterdam

July 2022 - now

As a barista, I developed strong customer service skills while managing multiple tasks. This role enhanced my attention to detail and problem-solving abilities.
